Advertorial feature will link to

You can choose to link your advertorial feature either to an external page or one of your product pages on Selector. You will need to upload a feature image only if the “External page” option is selected.

If linking to a Selector page please submit:

URL of your Selector product page

Please replace with the actual link to one of your products on Selector including the #img reference if you want to target a specific image from your listing. Default: hero image (#img1).

If linking to an external page please submit:

Click-through URL

A link to your home page or a specific page on your website including http:// or https://. When submitting your URL, please make sure that destination website can handle links featuring Google Analytics tags i.e. http://www.yoursite.com?utm_source=x&utm_campaign=x&utm_medium=x. While we will endeavor to test all the links, no responsibility can be accepted for errors caused by your website setup.
